Subject to technical changes and errors. Please note that some of the illustrations in this catalogue show alternative designs or optional extra fittings, which would incur additional costs. Variations in colour may arise during printing. This document, including extracts thereof, may only be reproduced with the written permission of MORELO Reisemobile GmbH.

The prices listed for vehicles and extras apply to their purchase and licensing in Germany. They are given in Euro and include VAT at 20%. We reserve the right to adjust prices accordingly in the event of VAT increases during the delivery period. All prices represent nonbinding recommendations ex works. Price changes for basic vehicles will cause price adjustments based on the additional price for the basic vehicle. The prices for extras are only valid if they are fitted in the factory and scheduled in due time. Retrofitted extras will incur additional material and assembly costs. Prices include ancillary costs for pre-shipment of the chassis and TÜV certification. Transport costs to abroad or foreign registration costs are not included. We reserve the right to make technical modifications, providing overall product quality is maintained or improved and there is no restriction in terms of the designated use. **This price list applies to orders as from the 1st of July 2020.**

All previous price lists will cease to be valid. Errors and omissions excepted.

¹ The mass of the vehicle in running order includes: driver (75 kg), full fuel tank, 100 litres of fresh water and the tool kit.

The fitting of extras and accessories may alter the weight and dimensions.

All dimensions and weights are based on the knowledge available at the time of going to print. Deviations of +/- 5% are possible and deemed acceptable.
