

10 YEARS OF MORELO REISEMOBILE

Stellar anniversary models and trade fair bundles at the CMT

MORELO stands for first class motorhomes and has developed into a key player in the luxury motorhome sector in the last 10 years. Exactly this is celebrated by the Schlüsselfeld-based company with respectively 3 anniversary models in the LOFT and PALACE lines. The models can be pre-ordered with a discount of up to 31.860 € during the CMT in Stuttgart. The trade fair visitors can also take delight in the updated MORELO HOME which will be offered with a comprehensive equipment package at an extraordinary special price.

The anniversary models - an overview

The appealing anniversary packages guarantee an even higher standard of travelling and living with the numerous possibilities for optional equipment including luxurious design elements. The exterior part shines with an exclusive anniversary decor including illuminated logo on the front and rear. The anniversary models also excel in road performance and comfort: the high demands for a maximum of driving comfort and road safety are underlined by the 210 HP-strong motor, the electric parking brake, an active lane departure warning with warning tone as well as the emergency brake assist including adaptive cruise control. The enormous panorama rooflight, the SAT TV device with 32' flatscreen and the removeable leather steering wheel truly make you feel at home. Furthermore, you can choose between four colour packages in order to match the interior with your personal preferences. Thanks to the serial multi-zone evopore mattress with a watergel top, your sleeping room is transformed into a perfect relaxation oasis. Moreover, the models come equipped with a standard floor heating to the joy of all winter lovers. In terms of autonomy the anniversary models boast powerful solar panels (2x130 watt of maximal performance) and the electronic bundle "energy lithium power" including premium control panel, power sharing and fully automatic cutting-edge battery protection.

Trade show offer - the MORELO HOME at a special price

First-class living comfort is always to be expected with MORELO motorhomes. In the updated MORELO Home you can now also find true Empire genes. A more striking appearance, an unmistakable design language and extended equipment possibilities leave no room for desires in terms of both comfort and luxury. At the CMT 2020 in Stuttgart, MORELO presents a special offer with an attractive trade fair bundle of the HOME. In the three models of the MORELO HOME line, 78 L, 82 LS and 82 M on an IVECO DAILY chassis the package includes a wide range of equipment options. Instead of the basic 180 HP, the chassis package includes a 210 HP-strong motor, a removable steering wheel of high-quality leather as well as panorama rooflight for an even higher feeling of comfort. The kitchen package is equally as comprehensive. This stretches from the gas oven to a 188 litre AES refrigerator with a separate freezing compartment to a Nespresso coffee machine. Moreover, this special offer includes a Life & Style package, an electronic package, a SAT device and a 24' LED flatscreen.

The anniversary offer is valid until February, 29th 2020 for the MORELO LOFT models 79F, 79L and 82LB and for the MORELO PALACE models 85L, 88LB and 90M with all included first-class extras and offers an impressive price reduction of 31.860,00 €. The trade show package for the MORELO HOME applies to the models 78 L, 82 LS and 82M where you can save a stunning 28.220,00 €.

MORELO OPEN 2020

10 years of MORELO are a convincing reason to celebrate. Since there is nothing more beautiful than to celebrate this occasion with hundreds of motorhome fans, MORELO has come up with an unforgettable anniversary programme from May, 21st to May, 24th 2020. First-class catering and spectacular shows are just a little teaser to what the visitors can expect. This year the team of MORELO also expects a new visitor's record and looks forward to welcoming you with 1000 vehicles on the premises.

You can find an exclusive foretaste of the attractive MORELO anniversary models at the CMT in hall 3, booth 3852 and gain inspiration from the exhibition models there. You will receive further information on the anniversary models directly on the MORELO booth. Come and visit MORELO on the **press conference together with KNAUS TABBERT on January, 10th at 10:30 in hall 02**. The first class team around Jochen Reimann, Reinhard Löhner and Robert Crispens looks forward to welcoming you.
