* subject to while stocks last

FIRST CLASS REISEMOBILE
MADE IN GERMANY

HIGHLIGHTS

MORELO PALACE 88 DL

Our first fully integrated motorhome with rear seating group

For many motorhome enthusiasts, it is a must: a cosy dinette seating group in the rear invites you to enjoy social get-togethers, culinary discoveries or exciting games evenings. Thanks to the generous amount of space in the new MORELO PALACE 88 DL, there is always enough space for guests. And if children are travelling with you, the seating area can optionally be converted into a cosy sleeping area.

Be twice as productive on the road

Thanks to the innovative layout, the MORELO PALACE 88 DL makes it easy to create two separate workstations. Behind the swivelling passenger seat, a pull-out shelf is integrated into the cupboard, turning the cockpit into the perfect notebook workstation. The rear seating area, on the other hand, offers space for work that requires a lot of storage space. Consultations are also feasible here – in your working environment, directly at your customer's premises.

Sleeping area based on the principle of an alcove, but without an overcab

As the seating group is located in the rear area of the MORELO PALACE 88 DL, the sleeping area is moved above the cockpit to save space in the form of a lengthways drop-down bed. The bed with comfortable disc spring suspension and high-quality multi-zone mattress can be automatically lowered at the push of a button when the cab seats are folded down. A television on the driver's side also provides the best entertainment.

BASE VEHICLE MORELO PALACE 88 DL

with bicycle garage

IVECO Daily
70 C 18

ENGINE	Serial diesel engine (cylinders)	4

MORELO Reisemobile GmbH · Helmut-Reimann-Straße 2 · D-96132 Schlüsselfeld · Fon: +49 (0) 95 52 - 92960-0 · www.morelo-reisemobile.de

Subject to technical changes and errors. Please note that some of the illustrations in this catalogue show alternative designs or optional extra fittings, which would incur additional costs. Variations in colour may arise during printing. This document, including extracts thereof, may only be reproduced with the written permission of MORELO Reisemobile GmbH.

The prices listed for vehicles and extras apply to their purchase and licensing in Germany. They are given in Euro and include VAT at 20 %. We reserve the right to adjust prices accordingly in the event of VAT increases during the delivery period. All prices represent nonbinding recommendations ex works. Price changes for basic vehicles will cause price adjustments based on the additional price for the basic vehicle. The prices for extras are only valid if they are fitted in the factory and scheduled in due time. Retrofitted extras will incur additional material and assembly costs. Prices include ancillary costs for pre-shipment of the chassis and TÜV certification. Transport costs to abroad or foreign registration costs are not included.

We reserve the right to make technical modifications, providing overall product quality is maintained or improved and there is no restriction in terms of the designated use.

All previous price lists will cease to be valid. Errors and omissions excepted.

¹The mass of the vehicle in running order includes: driver (75 kg), full fuel tank, 100 litres of fresh water, full gas bottles and the tool kit.

The fitting of extras and accessories may alter the weight and dimensions. All dimensions and weights are based on the knowledge available at the time of going to print.

Deviations of +/- 5% are possible and deemed acceptable.
